

- Max, diagnosed with autism at 40

"When I was 12, a psychologist told me I couldn't be autistic because I had started talking before the age of 2 and was considered social."

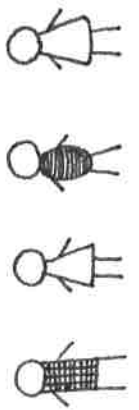

- abstand, diagnosed with autism at 35

Very funny

Sometimes, professionals are autistic.

"When I was a toddler, a psychologist said I couldn't be autistic because I was 'just a gifted kid'."

- Azure, diagnosed with autism at 15

Autistic...

They said we

couldn't be autistic

"When I was 35, a psychologist told me I couldn't be autistic because I was married, had a white-collar day job, and had published a novel through a small press."

- Matthew Graybosch (starbreaker.org), diagnosed with level 1 ASD at 41

520y funny

They said we

couldn't be autistic

They said we couldn't be autistic because I had compassion for other people."

- Alex, diagnosed with autism around age 14
